

Billionaire God of War Novel Chapter 36 To 40

Chapter 36 Shame!

“Why, there are people in the South Estopia who can’t afford to offend Tiger Brother?”

Stuart raised his eyebrows. “That is to say, I’m

looking for the wrong person.” Black Tiger glanced at Stuart and thought that this businessman didn’t look good. Has something already expressed your dissatisfaction?

If Stuart spread the matter, it would have a bad influence on his reputation as a black tiger.

“Well, Mr. Stuart looks down on me as a black tiger,”

Black Tiger said. “How much do I weigh? I know it myself!”

“What about those detained brothers?”

“They are all my people, and I naturally cannot Regardless, wouldn’t it make the brothers

under his hands chill?” Some of the men standing not far away nodded secretly.

They have been watching Black Tiger’s attitude all the time, hoping that Black Tiger will take action and bring back the other brothers, but until now, Black Tiger has not responded.

6.8 million, the Black Tiger is not willing.

“I don’t believe it. The people who dare to hold me up have kept it! Let them keep it!”

Black Tiger sneered. “My brothers, once they find a chance, they will escape. When the time comes, look at me. Packing up Daniel’s guys!”

Oliver said, and the few men standing on the side couldn’t help but startle.

Black Tiger means that he still refuses to use this money to redeem people. Want other brothers to find a way to run out?

In his eyes, money is heavier than his brother!

Even Stuart's face flashed a hint of contempt, and the Black Tiger would bring problems, and sooner or later there would be a problem.

"Brother Tiger!"

Outside, a person suddenly walked in, his face a little ugly, "

What happened!" "What happened again!"

The black tiger was very angry, how did it happen.

"It's those detained brothers." The

person who came was a little weird. "They were let go."

"Let's let go?" The

Black Tiger immediately frowned when he heard that, "That's a good thing, I know, Daniel is Just be pretending, he dare to hold me back?" In

this way, he saved 6.8 million!

"But..." The

visitor hesitated for a moment, was it difficult, "They didn't come back, stayed on the job site to work for them, and, don't pay a penny."

"What do you say!"

Black Tiger stood up suddenly.

Staring at the man, "You say it again!" The

eyes almost burst into flames!

His men work for others on the job site, don't pay a penny?

Do they want to lose their faces?

"Brother Tiger, you don't want to use the money to redeem them, they... they can only work to earn money to redeem the free body." His

voice lowered his voice, where dare to speak loudly.

"Fart!"

Black Tiger kicked the chair with a kick and blushed. "Are they waste? Six or seventy people, will not find a chance to fight it out? Is there anyone still staring at them all day and night?"

"No Use the things that throw me in the face of the Black Tiger!"

"Just like this waste, would I have to spend one hundred thousand to redeem a person? Are they worthy!" The

Black Tiger became angry and scolded.

He has not been so embarrassing.

Sixty or seventy people were sent out by themselves. Not only did things not get well, but they were tied.

This is shameful enough.

Now, even work for others for free?

This is putting his black tiger's face on the ground and stepping on it crazy with his shoes!

"Brother Hu, it seems that I did find the wrong person."

Stuart got up and shook his head with a smile.

He spent 5 million, but this is the result, can the Black Tiger be more embarrassing?

He kept saying that there was nothing he couldn't do in the South Estopia. Now, is the face beating loud enough? Crackling!

"Mr. Stuart, you can rest assured that I will take care of your money and I will surely get things done for you!"

Black Tiger said angrily. "I have been in Fingol City for so many years. ! "

What Stuart did not say, but his face incredulous laugh, make Black Tiger and my heart is not happy.

"Call me my brothers!"

Black Tiger gritted his teeth. "No one has ever dared to blaze my head, even Daniel will not work!"

"Tomorrow, give me the wasteless waste. When I get back, I will clean them up!"

Chapter 37 Untieable Dead Knot

Stuart ignored the black tiger's boom here. What's the use of being tougher under his hand?

Even such a trivial matter can't be handled well. It seems that this black tiger is not worthy of the name.

The phone rang, and Stuart saw Matthew calling, frowning slightly.

"Dad."

He went out and answered the phone.

"Come here immediately with me!"

Matthew said in a majestic tone, and then hung up.

Stuart moved a little in his heart and heard Matthew's tone, with a trace of anger, not knowing why.

Without daring to delay the time, Stuart immediately drove to the villa where Matthew was.

He entered the door violently, with a worried look: "Dad, what's wrong? Isn't that Oliver's kid, making you angry again? I'll clean him up when I go back!"

Matthew sat there and slowly opened his eyes "It's not Oliver."

"Not him? Who made you angry?"

"It's you!"

Matthew's voice was suddenly loud, "Stuart, you have arranged for someone to interfere with the construction of Emma's plant?"

Stuart groaned. How could the old man know this?

Black Tiger!

That useless thing! There are also a bunch of waste!

"Yes, it's me."

Stuart didn't deny it and nodded directly.

He knew that since Matthew asked, naturally he knew. He couldn't hide it, but he made Matthew angry even more.

"Why?"

Matthew still kept a straight face, but obviously not as angry just now.

"Because Emma really eats inside and out!"

Stuart teeth Road, "she told Daniel working hand in glove, I want to snatch Matthew's industry! You may not know, this month, they bought a BMW car home half a million! Where their money?"

Matthew Meng pupil The ground shrank.

"This Emma really looks simple and kind, but she is actually ambitious. She has long been dissatisfied with the Matthew Family, dissatisfied with your dad, and has resentment in her heart, so she wants to take this opportunity to occupy the Matthew Family's industry!"

Stuart sighed. In addition to reaching out to us, what else did you do for this Matthew Family? Nothing!”

“We help them from time to time, but what about them? En Andrewqiu!”

“Now, they are not satisfied yet, and want more, I am the Matthew Family. The person in charge must not allow these thieves to occupy a penny of my Matthew Family!”

Matthew’s face eased a lot.

“This project is very important. We have invested too much resources. If you do this, you will lose our own interests!”

Matthew pointed his finger on the table.

“I don’t want to,”

Stuart smiled bitterly, but his face was helpless. “But when he kept on making trouble, he really wanted to be completely controlled by Emma. Do we still have a chance to get it back?”

“I didn’t want this thing. Let Dad know that I am going to carry it by myself. You are old and you should no longer work for the Matthew Family. I’m useless. I still worry about Dad.”

Stuart was filial and full of concern. Matthew was more relieved.

“Logan came to me before and accused you of interfering with Emma.”

Matthewdao said, “This Logan also seems to have changed, become greedy and insidious, and I am very disappointed.”

“The third child is really too much “

Stuart is furious,” “The second child is desperately fighting for the Matthew Family in the provincial capital. I can’t even sMaxwellp well for the Matthew Family’s business, but what about him?”

The more he said, the more disappointed Matthew’s face was.

If it weren’t for Logan’s blood, he didn’t want this son!

“Dad, you can rest assured that I will guard the Matthew Family, and will never let anyone take away a penny from the Matthew Family!”

Stuart said solemnly.

Matthew nodded: “I am at ease with this sentence from you, Logan’s family...”

“I have a countermeasure, you don’t have to worry about it, dad, just leave it to me.”

Matthew comforted for a while, After saying a lot of things he loved to listen to, Matthew’s mood was better.

Stuart left, his face gloomy.

He didn’t expect that Logan, who had always been weak, would even know how to sue.

But what about that?

In Matthew’s eyes, his eldest son is the best and the most trusted. What Logan said is just like farting!

“This knot can’t be undone!”

Stuart’s eyes were full of coldness. “Youngest, you are the one looking for your own death, don’t blame your brother!”

Chapter 38 is in trouble!

The night gradually fell silent.

Everything is calm, but Andrew knows that everything is not calm.

Lying on the ground, Andrew knew that Emma really didn’t sMaxwellp.

“Tomorrow you won’t go to the construction site, go shopping with mom, buy some clothes and care products.”

“Why?”

Emma turned his head, in the dark, could not see Andrew’s face, “What about you?”

“I will Go.”

Emma paused. “What are you going to do?”

She is the general manager. Andrew has nothing to do with this project. What is he going to do?

“Some garbage, I will clean it up for you.”

Andrew said lightly.

Early the next morning, Logan woke up.

Washing your face, brushing your teeth, shaving your beard, putting on a shirt you haven't worn for a long time, opening the lock of the bookcase, taking out almost dusty business materials, and sitting in front of the balcony and looking seriously.

cynthia did not know what happened, she felt that Logan seemed to have changed.

The whole person's eyes, aura and even expressions are different.

She was a little worried.

Yesterday, Andrew told himself that starting today, there will be a new Logan, what the hell is going on?

“Mom, today Emma really accompany you shopping, buy clothes and skin care products.”

Andrew picked up from the breakfast table, while eating out, “Dad had a lot to go over, they do not bother him.”

Then, very As soon as the car started to sound, Andrew left.

Emma walked out of the house with a helpless face.

Andrew refused to let her go today, saying that shopping with cynthia is more important than anything else.

“Mom, I'll go shopping with you after breakfast. We haven't been out shopping for a long time.”

“Is there anything to buy? I don’t have anything to buy.”

cynthia busy, “what’s the money!”

Even if she just had five million, in her eyes, it will be returned to Fingol Bank sooner or later.

“No, I won’t buy it today. Andrew said he would buy it when he came back.”

Emma really grunted.

Andrew is going to buy, she is worried that this bastard will directly buy the whole mall!

When she came back from the bank that day, she checked the Andrew black card for something special. After learning about it, Emma was really shocked for an hour before she recovered.

She could hardly believe that Andrew was so rich!

“Mom, if you don’t buy a few sets of clothes today, Andrew will definitely buy the whole mall and let you pick it.”

Emma said helplessly.

Andrewqian came to such a thing.

“Okay.”

cynthia heard that, which line, can not let Andrew spend money for them, just pick two discounted clothes.

...

Outskirts, factory site.

With more than sixty people helping, the progress has indeed improved a lot.

Not to mention, this group of bastards is particularly hard working.

Emma really confessed to providing them with food to ensure that they have enough food to work hard, even desserts and fruits.

When a few bastards saw these, their eyes were red and they almost did not shed tears.

After so many years of life under the Black Tigers, they did not have this treatment!

For the first time, they felt that it was not particularly difficult to earn money by labor, but also had dignity.

Andrew sat in the car, listening to music, and waited quietly.

Soon, several buses drove from afar and stopped at the door of the plant, and a group of people rushed from the car.

“A bunch of waste!”

Black Tiger walked at the forefront, seeing his men actually working on the construction site, his face flushed with rage, “Waste! You are so fu*king shameless of my Black Tiger!” “

What’s the use of raising you? It’s useless to move bricks in the construction site! Shameful!”

He roared: “What are you still doing? Get me back!” On the construction

site, the bastards saw the black tiger came , Can’t help but stunned.

Black Tiger came to rescue them?

No, looking at the black tiger’s expression, he brought so many people to come. Instead of saving people, he was annoyed that he had lost his face and came to trouble them!

These people suddenly became more chilled.

When they need to spend money in exchange for them to go back, the Black Tiger does not say anything and is not willing to spend money.

Now I have to face, and when I come, I yell and yell. Are they really dogs?

When the call comes, the wave goes?

Has chapter 39 asked me?

“Stop!” At the

entrance of the construction site, Daniel had already arranged people, headed by the dog brother that day.

He squinted his eyes and glanced at Black Tiger: “Isn’t this Brother Tiger? Why, bring the brothers over to find work? But there is no shortage of people on our site now.”

“You’re fu*king dead!”

Black Tiger scolded “Daniel! Let him get out!”

“Daniel always has business to talk about, did Brother Hu refuse to cooperate before? The investment of 6.8 million is not high, but

Brother Hu is not willing.” Without any politeness, in the face of those bastards, hit the black tiger’s face hard.

The black tiger’s face suddenly sank.

When did even such cats and dogs dare to talk to themselves like this!

“Today, I’m going to take these shameful things back, are you going to stop me?”

His face was full of threats, and he ordered, nearly a hundred people behind him, all took the stick in his hand!

The dog brother smiled, twisted his neck, made a rattling sound, and clapped his hands. There were two or three hundred people suddenly rushing out of the construction site, black pressing against a group of people, more than the Black Tigers!

“I heard about the prestige of Brother Hu long ago, and President Daniel said that if Brother Hu wants to teach his younger brother, let his younger brother accompany

him to the end!”

The black tiger’s face is even more ugly.

Even one of Daniel's dogs dared to yell at himself?

"Don't force me!"

Black Tiger said angrily.

Brother Harrison dug his ears, "As long as Brother Hu wants to start, we will accompany you to the end. Today, either you killed me or I killed you!"

Ruthless!

The dog brother hasn't been afraid of anyone more than speaking harshly!

Not to mention, in the car inside, there is still a killing god!

Brother Harrison has seen how powerful Andrew is, he is full of confidence now!

Hearing the words, the Black Tiger was completely angry, and his anger rushed to his head: "Slap me! Kill these things that are not long-eyed!"

Suddenly, the two sides rushed into battle, and the battle was triggered!

The brother waved his stick, there was no hint of politeness, and he was fierce. Today, he finally had the opportunity to express himself in front of Andrew. He didn't desperately regret that Andrew spared him last time!

"Bang!"

"Pap!"

"Boom!"

A group of people fought, and there was a clear advantage in the number of dog brothers, and the momentum was equally unstoppable!

The eldest brother's elder brother is behind him, what else are they terrible?

In just a few minutes, the Black Tigers keep retreating. They are too few, and the other party is ready.

Black Tiger's strength is extremely strong. There is no problem for one person to deal with five or six people, but the dog brother is ruthless enough, with a dozen people around the black tiger, he has not put him in the eye.

"Bang!" The

dog took a punch on the shoulder and kicked on the black tiger's stomach with the cynthiae kick, smearing the blood from the corner of his mouth proudly, excited.

"

Brother Tiger, come again!" "Today, if you don't kill me, I will kill you, my dog!" The

black tiger gritted his teeth, and he glanced up. Those men on the job site were indifferent!

"Issac raises a group of white-eyed wolves!" The

black tiger trembles, and it doesn't make any sense to start again, even if it takes these useless things back?

I am afraid that they have not accepted themselves!

He is angry!

I am afraid that my own signboard will be smashed.

"Daniel, you are

ruthless enough! I remember this account!" Black Tiger released ruthless words, "Starting today, my Black Tiger will never end with you!"

After that, he turned and left.

"Come here, just walk away."

Suddenly, a voice came from behind, calm but with a sense of terror.

"Have you asked me?" The

black tiger shuddered suddenly, turning slowly.

I saw a man and walked out.

His footsteps feel very light, but every step seems to step on his own heart!

thump!

thump!

Hit hard!

Black Tiger suddenly felt his heart beating faster, his blood rising, as if being stared at by a tiger.

“Who are you?” The

black tiger’s throat slipped, wondering how his voice actually changed.

There was a sudden fear in his heart, an inexplicable fear. He had been in the underground circle for so many years. He had never been like this today. He just had a glance at Andrew and he was terrified!

Chapter 40 shocks the audience!

“You don’t have the right to know.”

Andrew said lightly. “Come here for trouble, but this is the third time.”

He had warned Black Tiger, but Black Tiger didn’t listen.

If this were on the battlefield, Andrew would not give him any chance to directly obliterate!

“Huh, a big tone! What about Daniel? Let him come out to see me!”

Black Tiger took a step back unconsciously.

There was a faint feeling in his heart that the man in front of him was probably the man in Daniel’s mouth, and it was arrogant enough!

Andrew ignored him.

Staring at the Black Tiger, his voice froze: "In the South Estopia, you are the first person who does not have long eyes." The

voice just fell and he moved!

The speed is almost extreme!

As if there was only one residual image slipping through, the dog brother and others could see the blood flow!

"Bang!" There was

a loud noise, and the ground seemed to shake.

Immediately, it was a scream of tears!

"Ah—!" The

black tiger's legs were bent, kneeling on the ground, and his knees fell directly into the ground!

The pain made the black tiger's face suddenly pale, reaching for the ground and trying to stand up, but couldn't even pull out his legs.

broken!

His leg was broken and he was completely paralyzed at the moment. He could feel nothing but pain.

"This is a small punishment."

Andrew was condescending and looked at the black tiger. "Are you in service?" The

black tiger breathed deeply, his face flushed, and the severe pain made his consciousness more clear.

He stared at Andrew, but he never expected that Andrew said he would do it, and it was so powerful that he just...how did he do it?

I didn't see clearly by myself, where did the reaction come!

This is the person in Daniel's mouth who can't provoke himself?

When did such a horrible guy appear in Tokai City!

"I, I disagree, you dare to kill me!" The

black tiger gritted his teeth, hissing, his eyes red.

"Bang!"

Another kick kicked directly on the black tiger's chin. With a click, the black tiger broke his jaw bone and fell to the ground, unable to speak.

Andrew has no unnecessary nonsense at all.

Not convinced?

Then let you serve!

Around, the men brought by the black tiger were dumbfounded.

This is too domineering, right?

Andrew said to do it, but it is a black tiger, a well-known ruthless person in the underground circle.

But now it has been beaten by Andrew without any strength to fight back, and now even the strength to pay back is gone.

They held the sticks in their hands, but no one dared to move.

Andrew glanced around, they subconsciously backed away!

He didn't care about the garbage at all.

"Throw this rubbish out, whoever dares to come in and make trouble, just hit it out."

Andrew finished speaking, then turned and left.

The brother is so excited!

He has never seen a man as powerful as Andrew in his life. The Black Tiger is such a famous ruthless man. In front of Andrew, even an ant is not as good.

“Throw it out!”

The dog brother took his own hands and grabbed the black tiger with several people, as if throwing a dead dog and throwing it out.

No one dared to move the black tiger!

They watched the black tiger faint, and his face was covered with blood. They could only carefully lift the black tiger into the car and leave quickly.

The bastards on the construction site looked at this scene with a numb look.

They knew Andrew was powerful, but they didn't expect that Andrew would dare to be so crazy!

That's a black tiger!

The famous ruthless man in the underground circle of Fingol City is said to have seen blood in his hand, but Andrew... It's no different to look at the black tiger's eyes than to look at a dog.

How powerful is this?

“Brother, who is he?”

A bastard couldn't help but ask, “When are we in Fingol, such a terrible person?”

“Who is he?” The

brother snorted, “You are not qualified. I know, I can only tell you, don't provoke him!”

Who is Andrew, not even the dog brother, he only knows, in front of Andrew, even Daniel, must be respected!

The entire construction site fell silent. Soon, the bastards went back to move the bricks to work in silence. The trace of thoughts that had arisen in their hearts were completely wiped out by Andrewgang's feet.

Andrew's shot shocked the audience!
